Election on Disposition of Property by a Taxpayer to a Taxable Canadian Corporation

•	This form is used by a taxpayer and a taxable Canadian corporation to jointly elect under subsection 85(1) where
	the taxpayer has disposed of eligible property under subsection 85(1.1) to the corporation and the taxpayer
	receives as consideration shares of capital stock of the corporation.

Do not use this area

- Unless otherwise indicated, all legislative references are to the *Income Tax Act*.
- · Mail one copy of this election and related schedules (as specified), completed by the transferor, as follows:
 - to the tax centre of the transferor;
 - on or before the earliest date on which any party to the election has to file an income tax return for the tax year in which the transaction occurred (due date). This due date must consider any election under subsection 25(1) or 99(2); and
 - separately from any other return.

When many transferors elect to transfer the same property (co-ownership) or many members of the same partnership elect to transfer their partnership interests, the elections will be processed together and should be filed:

- at the tax centre of the transferee;
- on or before the due date; and
- by a designated transferor to file all of the completed forms for each transferor, together with a list of all of the electing transferors. This list should contain the name, address and social insurance number, trust account number or business number of each transferor.

Find the address of the transferor's and transferee's tax centre at canada.ca/tax-centres.

- Note 1: Read Interpretation Bulletin IT-291 for more information on eligible property and an explanation of the limits.
- Note 2: Adjusted cost base (subject to adjustment under section 53).
- Note 3: The lesser of undepreciated capital cost of all property of the class and the cost of the property.
- Note 4: The lesser of 4/3 of the cumulative eligible capital and the cost of the property.
- Note 5: This amount is to be reported either as a capital gain or as income, whichever applies. Also, in the case of depreciable property and eligible capital property, a portion of the amount may have to be reported as a capital gain while another portion of the amount may have to be reported as income.
- Note 6: Contributions made in a tax year ending after 2007, and amounts earned on those contributions, are only eligible if that property is owned by an individual.
